Ornamentals Resistant to Armillaria Root Rot

Acer macrophyllum

Arbutus menziesii

Cercis occidentalis

Liquidambar styraciflua

Abies concolor
Acacia mearnsii
Acer macrophyllum
Arbutus menziesii
Brugmansia suaveolens
Buxus sempervirens
Calocedrus decurrens
Calycanthus occidentalis
Carpenteria californica
Catalpa bignonioides
Celtis occidentalis
Celtis australis
Ceratonia siliqua
Cercis occidentalis
Cotinus coggyria
Cryptomeria japonica
Elaeagnus angustifolia
Eucalyptus camaldulensis
Eucalyptus grandis
Fraxinus oxycarpa
Fraxinus uhdei
Ginkgo biloba
Ilex aquafolium
Liquidambar styraciflua
Liriodendron tulipifera
Magnolia grandiflora
Mahonia aquifolium
Mahonia nevinii
Pinus radiata
Pistacia chinensis
Pittosporum rhombifolium
Prunus caroliniana
Prunus ilicifolia
Prunus lyonii
Quercus lobata
Sequoia sempervirens
Ulmus parvifolia
Wisteria sinensis

List based on *Resistance or Susceptibility of Certain Plants to Armillaria Root Rot* by Bob Raabe, UC Leaflet 2591

White Fir
 Acacia
 Big Leaf Maple
 Madrone
 Angel's Trumpet
 English Box
 Incense Cedar
 Western Spice Bush
 Bush Anemone
 Common Caltalpa
 Hackberry
 Hackberry
 Carob
